## PROFESSIONAL SUMMARY:

Motivated and detail-oriented Software Developer fresher with a strong foundation in **Python, MySQL, PostgreSQL, HTML, CSS,** JavaScript, and **Django (Basics).** Skilled in creating responsive web pages, writing clean code, and working with databases. Hands-on experience through academic and personal projects using tools like **VS Code, Git, BeautifulSoup, Pandas**. Eager to learn new technologies, contribute to real-world projects, and grow in a collaborative and fast-paced environment.

## TECHNICAL SKILLS:

- **Programming Languages**        : Python, Core Java (Basics)
- **Web Development**        : HTML, CSS, JavaScript, Responsive UI
- **Frameworks**        : Django (Basics)
- **API Tools**        : Postman (Basics)
- **Databases**        : MYSQL, PostgreSQL
- **Tools**        : VS Code, Git
- **Libraries**        : Pandas, NumPy, BeautifulSoup
- **Operating Systems**        : Windows

## PROJECT:

**Project: 1 Netflix Clone**

- Built a responsive single-page Netflix UI using **HTML, CSS, JavaScript**

- Implemented dynamic content sections and smooth UI interactions

- Focused on improving frontend design and user experience

**Project: 2 YouTube Clone**

- Designed a functional YouTube-style interface

- Implemented searching UI, video card design, and responsive layout

- Demonstrates strong frontend skills and structured coding practice

**Project: 3 Personal Portfolio**

- a responsive portfolio using **HTML, CSS, JavaScript**

- Showcases projects, achievements, certifications, and contact information

- Designed clean UI with smooth scrolling and animations

## CERTIFICATIONS:

- **CPDA** (Certified Python Developer Associated) – 24
- **Machine Learning using Python** (Online Course) - Simplilearn SkillUP
- **Introduction to Generative AI** (Online Course) - Simplilearn SkillUp

## ACADEMIC / HANDS-ON-EXPERIENCE:

**Project: Agra Tourism Website**

**Roles and Responsibilities**

- Worked on an **Agra Tourism Website** as part of an 8-member academic project team, where I handled The **frontend development** using **HTML, CSS**, and integrated basic **API-based data**.
- Built responsive web pages, designed layouts, and ensured smooth user experience across devices.
- Used **MySQL** for backend storage, performed basic queries, and collaborated with team members during integration.
- Gained hands-on experience in understanding **SDLC stages**, debugging UI issues, and testing features during project development.
- Completed multiple personal projects (Netflix Clone, YouTube Clone, Portfolio) using **HTML, CSS, JavaScript**.

## EDUCATIONAL DETAILS:

- MCA from Hindustan Institute of Management & Computer Studies
- B.Sc. from Dr. Bheem Rao Ambedkar University

## INTERESTS:

Gaming | Travelling | Reading | Learning | Problem Solving

## DECLARATION:

**I hereby declare that the above information furnished is true to the best of my knowledge and belief.**
